

Lakeside Book Company

We print, store, and sell your books.

Global Turnkey Manufacturing Solutions

One partner. Infinite possibilities.

Access a diverse worldwide network of highly competitive manufacturing options through a single source.

Peace of Mind

Simplify the complexities of manufacturing across multiple sites and countries. Centralized project management supported by consistent communication helps you achieve:

- Total confidence that your production mix is optimized for the best possible value
- Reduced time doing administrative tasks
- Expanded visibility into timelines and deliverables

Flexible Production

Explore the ideal mix of domestic and offshore production that's best for you. Gain a competitive advantage with:

- Enhanced purchasing power across a global network of proven production sites
- Unlimited possibilities for book printing and supplemental items production that will captivate readers
- Optimized production mix based on product specifications and other requirements

One Trusted Partner

Experience the ease of working with one team instead of managing multiple vendors for all your project details. Our refined processes and connections deliver:

- Improved accuracy minimizes potential for errors
- Customized guidance from printing industry experts
- Seamless project oversight and production using the latest technology

Sustainability Advantages

- Reduce your carbon footprint by printing and sourcing select items overseas
- Complete packaging and kitting operations closer to your readers in North America

Specialized Books & Materials

- Board and touch books
- Ancillary educational materials
- Promotional items: Bookmarks, posters, stickers, toys, apparel, and more

Questioning your current production mix? Let our experts handle the heavy lifting of vendor management for you.
