

Lakeside Book Company

We print, store, and sell your books.

Print and store books closer to your readers and never miss a sale!

Managing inventory, warehousing, and fulfillment shouldn't slow you down. With Lakeside Book's Warehousing & Fulfillment Solutions, you obtain seamless integration between your manufacturing and warehousing workflow, from production to reader.

Why integrated warehousing & fulfillment solutions matter:

You need to deliver books faster without over-or under-stock. Our integrated approach brings everything together to create real, measurable value at every step with these advantages:

- Lower overall cost of ownership and improved cash flow
- Faster time to market
- Fewer handoffs and manual touchpoints
- Reduced environmental footprint by printing and storing closer to your readers
- Real-time visibility and control over inventory with our Automatic Inventory Management (AIM) online solution

We offer expert warehousing and fulfillment services such as:

- Warehousing & storage in our strategically located North American warehouses
- Pick & pack and order fulfillment
- Kitting and assembly services
- Returns management
- Freight optimization (parcel, LTL, and truckload)
- Integrations with your systems to simplify data and order exchange

Over **4.5 million** sq. ft. of warehousing space
and **400 million** units shipped annually
